STEELTIMES
INTERNATIONAL

Currently the 5th largest steel producer in the world, India is enjoying a thriving steel industry, with expansion plans to be the number two producer in the world by 2020.

In association with Steel Scenario and Steel Times International, the **17th Annual International Steel Seminar and Exhibition** is to be held in Kolkata, India, on the 19-21st of Jan in 2010.

The conference brings together around 200 senior buyers, suppliers and manufacturers for two days of conference sessions, networking and meeting with key suppliers in the exhibition.

The **growing** Indian market

India produced 55Mt crude steel in 2008, making it the 5th largest producer in the world. With expansion plans to reach 250Mt by 2020, India is set to become second to China in global production.

A limited number of stands **available!**

There are a limited number of stand packages available at a cost of **\$3500USD**. Your package will include access to the refreshments and receptions over two days, two tickets to the conference and your stand including:

Shell walls | Fascia board | Lighting | Power | Furniture

Spaces are limited

Book your place by calling +44 01737 855 116 or
Email: steel@dmgworldmedia.com
